

Becki Casey

Have you ever found yourself running blind? Ever been afraid, tired, lonely, or wondered why you're even here? What's the point?

Have you ever watched a wild horse become tame? Ever wondered what it is that makes a horse trust a human? How is that possible?

Come out to Cowboy Church at the Pecos Sheriff's Posse grounds on Sunday, August 21st at 10:30 AM and find the answers you're looking for. Watch the interaction between a horse and human, listen to pertinent teachings from the Bible, and find out what God has in store for you!

We would like to welcome Becki Casey, renowned horse trainer and Equestrian Program Director for Redcloud Christian Mountain Adventures of Lake City, Colorado. She will be joining us and sharing Biblical truths through the tool of the horse. You will not want to miss this! For more information visit Becki's website at www.campredcloud.org.
