*"As a bull rider, rodeo judge, rodeo producer, founder of the Dixie Rodeo Cowboy Association and a Funnyman, I have been involved with rodeo most of my life. I love to make people laugh and to see a smile on someone's face makes my day, especially if it's on the face of a child or an elderly person. It feels good to know that I have been given this gift of talent and I really feel this is my calling in life."*

Rosco Finley, 2 time  
NMRA Funnyman

As a professional rodeo Funnyman, my job includes not only entertaining people during the rodeo, but also in helping promote the event. Besides doing radio and TV interviews, one of my favorite ways of promoting the event is to don full funnyman garb and visit schools, nursing homes and senior centers.

Rodeo is a family event and as such, I feel strongly in delivering the following message to school children as I promote the event:

1. Stay in school.
2. Stay off drugs.
3. Stay away from alcohol.
4. Always say your prayers.
5. Always respect your parents and the elderly.

In my experience, when I ask children at the event to repeat these values to me, eight out of ten children can usually give me all five depending on their age.

I hope that my small influence will make a big difference in helping the younger generation from going wrong in today's world.

Please contact me today to discuss your upcoming event.

Thank you and God bless,

Rosco Finley
